During your travel in remote areas and the Outback, you are welcome to travel on any gazetted roads both sealed and unsealed that are visible on Hema Map, provided that the road is open, in a good condition and safe for the passage of the vehicle. You are not permitted to make your own tracks. You must follow all signposts and instructions that are governed by local authorities, indigenous and private land owners and communities. If you are travelling on private land the Company highly recommends seeking advice from station owners and requesting their own Station Map. Travel in remote areas is permitted, given the roads are visible on a HEMA Map, the road is open, in good condition and safe for passage of the vehicle, however, due to high cost of recovery, travel in remote areas may be subject to a Remote Area Access Bond of \$5,000 in addition to the standard security bond you choose. Prior to hiring the vehicle, the customer must inform the company of the remote areas they intend to travel to, including all remote roads they intend to use. Failure to do so will void the insurance cover and the customer will be fully liable for the whole vehicle. Should the vehicle breakdown, or should damage be caused outside of the disclosed area, the customer will be liable for all costs, regardless of cause. Australian 4WD Hire reserves the right to withhold insurance from any customer who does not disclose their area of use prior to hiring or provides misleading information. The Company recommends all remote area travellers confirm with local police that the roads on which they intend on travelling are in fact open for travel. Driving on roads that are closed is considered Negligence and, regardless of circumstances, will constitute a breach of these Terms and Conditions.

17. GPS Tracking of Vehicles

You hereby acknowledge that the Company uses GPS systems to track and monitor the vehicles including, but not limited to, speed, time, driver behaviour, location and routes of travel. At any time, the Company may at its sole discretion prepare a GPS Driver Behaviour Report ("DBR") in respect of the Vehicle indicating the aforementioned matters in addition to other matters the Company at its discretion considers necessary.

In the event the DBR evidences that you:

- at the reasonable assessment of the Company your driver behaviour has caused damage and/or excessive wear and tear to the Vehicle;
- the Vehicle has been driven on a road or track which has not been either open or safe for passage or permitted by Company;

You acknowledge that such acts have caused damage and/or excessive wear and tear to the vehicle either seen or unseen and that the Company has suffered loss and damage ("Driver Behaviour Damage"). In respect of the Driver Behaviour Damage you hereby irrevocably authorise the Company, at its sole discretion, to deduct your security bond or part of it by way of liquidated damages ("the Liquidated Damages"). You hereby acknowledge that the Liquidated Damages are a genuine pre-estimate of the loss that the Company will suffer in relation to Driver Behaviour Damage. This clause (17) does not limit the rights and/or remedies available to the Company pursuant to these Terms and Conditions, at law or in equity.
